

Zamek Kliczków

September 4-7, 2022
Kliczków, POLAND

31st PTZE SYMPOSIUM ON APPLIED ELECTROMAGNETISM IN CONTEMPORARY ENGINEERING AND MEDICINE

Co-organizers:

- Polish Society of Applied Electromagnetics
- R&D Centre Netrix S.A., Lublin
- Higher School of Economy and Innovation in Lublin
- Lodz University of Technology, Faculty of Electrical, Electronic, Computer and Control Engineering
- Czestochowa University of Technology, Faculty of Electrical Engineering
- Faculty of Production and Power Engineering, University of Agriculture, Kraków

Chairperson of the Scientific Committee:

Maria Evelina Mognaschi

Chairperson of the Organising Committee:

Andrzej Jąderko

*Chairperson of PTZE: **Andrzej Krawczyk***

Venue of the Conference:

Zamek Kliczków
Kliczków 8,
59-724 Kliczków
<https://kliczkow.com.pl/>

The topics of the symposium:

- Applied electromagnetism in engineering
- Applied electromagnetism in medicine and bioengineering
- Bioelectromagnetics and environmental protection
- Computational electromagnetics
- Applied electromagnetism in computer science
- Electromagnetic materials
- Medical and technical applications of tomography
- Electromagnetism in education and social policy
- Scientific film recording electromagnetic phenomena

Deadlines:

- 01.06.2022 – submission of two-page digest (electronic form is preferred)
- 30.06.2022 – end of reviewing process and information on acceptance
- 20.08.2022 – payment if done by bank transfer (payment on the spot is possible)
- 04.09.2022 – conference programme (earlier available on www.ptze.pl)

Submissions:

1. Application Form (electronic form) should be sent together with two-page abstract.
2. The conference fee amounts 500 EURO* for double or triple room and 550 EURO* for single room (the number limited) – it should be transferred to the account:

PKO BP III O/Warszawa
60 1020 1097 0000 7602 0105 8536
with the note : PTZE'22 or paid on the spot
conference languages: English and Polish .

** The conference fee does not include the costs of post-conference publications*
